**GUIDANCE**  
Small Educational Groups

February 1, 2024

Dear Parents/Teachers,

We will be offering small educational groups hopefully starting in March. Being part of a smaller group enables students to express themselves more openly, and provides them with a safe place to learn and practice new skills.

The following small groups will be offered at the specified grade levels:

- Feelings Management, Grades K-4, 6
- Social/Relationship Skills, Grades K and 5
- Girls In Real Life Situations, Grades 2 and 4
- Self-Regulation, Grades K, 1, 3, and 4
- Children in Change and Attendance Improvement ( these 2 groups will be offered if needs arise)

If you feel your child could benefit from any of these groups, Please complete the information below, return to your child's teacher and a permission will be sent home. Some groups may have students from other grade levels. All groups meet during the school day. If we do not have at least 3 or more students for a group we may not run that group, and needs may be addressed individually.

If you have any further questions, please feel free to call guidance at 570-434-8446 (K-3) or 570-434-8325 (4-6). We are hoping to get started in March and the groups will meet for 6 to 8 sessions.

Thanks,
