

CHROMEBOOK PROGRAM – Grades K-12

2021-2022 MVSD TECHNOLOGY PROTECTION PLAN

This is an optional and voluntary program available to all students/parents

Please read this entire document to determine if this program is needed for you and your child's protection against damage of the MVSD Chromebook equipment in your care. Please refer to additional information in the current Chromebook Handbook for specific examples of how the plan works. This form must be completed and marked YES (with payment attached) or NO before the Chromebook will be provided to the student.

Coverage and Benefit

This agreement covers the MVSD Chromebook loaned to the student against some incidents of accidental damage. The following items are **NOT** covered:

- A Chromebook that is lost or stolen
- Damage caused by negligence including but not limited to leaving it outside in an automobile, immersion in liquid, any type of damage caused by food or drink, damage caused by pets, rough/inappropriate handling, etc.
- Intentional misuse of one's own or a peer's device
- More than one accidental incident, including more than one broken screen or accessories.
- Loss of power adapter/cord

Effective and Expiration

This coverage is effective from the date this form is returned and premium payment is received through the date when the Chromebook is to be returned in good working condition to the school. It covers the cost of repair.

Premium

The current cost is \$30 (\$20 for Reduced lunch participants and \$10 for free lunch participants) **paid annually**.

It is agreed and understood that:

- A separate signed application will be needed for each Chromebook covered.
- It will be the right of the principal or his/her designee to determine if damages were due to negligence or accidental in nature.
- The principal reserves the right to review all damages, determine negligence and cost of repair/replacement, assess such charges, and evaluate a student's privilege of taking the Chromebook to and from home. Students must

clear all charges before participating in school-related events.

Please complete the information below and bring the form to the District Curriculum/IT Secretary.

No Expectation of Privacy

No one should have any expectation of privacy or confidentiality with regard to any usage of a Chromebook issued by the District, regardless whether the usage happens for school-related purposes or not. **Without prior notice or consent, the District may access, supervise, view, monitor and record student use of Chromebooks at any time for any reason related to the operation of the District.** Chromebook browsing history in and outside of school is always logged. From time to time, the District may conduct random checks of Chromebooks and inspect their contents and condition. By using a Chromebook, students agree to such access, monitoring, and recording of their use.

Monitoring Software

School administrators, teachers, and IT staff may use monitoring software that allows them to view screens and activity on student Chromebooks at school during school hours.

Files Downloaded onto Chromebooks

All images, documents, files, and apps downloaded onto the Chromebook become the property of the Mountain View School District as allowable by law.
