

## **Statement About Athletics and COVID-19**

Dear Parents and Guardians:

The Mountain View School District is foremost concerned with the health, safety, and welfare of our students and their families. In regard to the COVID-19 pandemic, our district administration continues to monitor information and guidelines provided by the Pennsylvania Department of Education, the Pennsylvania Department of Health, and the Center for Disease Control. Due to a fluid increase in COVID-19 cases within our region, the Mountain View School District will not sanction any pre-season athletic workouts or extracurricular activities on the Mountain View Campus until further notice. This decision will be reviewed on a weekly basis based on the most up-to-date information. Our final sports recommendation based on pertinent data will be presented at the Board of Education meeting on Monday, August 10. Thank you.
