

April 29, 2021

Dear Parents/Guardians,

The Mountain View School District became aware today of three (3) positive student cases and one (1) faculty member of COVID-19 at the elementary school. All families were contacted and informed of the next steps. No additional quarantines were needed.

The high school became aware today of a positive student case of COVID-19. A full and thorough investigation was conducted which included in-depth contact tracing. Due to this positive case, one (1) additional high school student was quarantined. All families were contacted and informed of the next steps. The Department of Health was contacted and consulted with to ensure that all safety procedures and protocols were implemented.

The Mountain View School District will continue to be vigilant with its safety protocols and procedures to help ensure the safest environment possible for our students. If you have any questions or concerns, please feel free to contact me at 570-434-2180 or email me at [melia@mvsd.net](mailto:melia@mvsd.net).

Sincerely,

Dr. Michael S. Elia  
Superintendent of Schools  
Mountain View School District
