

April 26, 2021

Dear Parents/Guardians,

The Mountain View School District became aware yesterday of a positive case of COVID-19 with a substitute teacher at the elementary school. In-depth contact tracing was not necessary in this case due to the amount of days in between teaching assignments. No students or staff members were quarantined.

The Mountain View School District will continue to be vigilant with its safety protocols and procedures to help ensure the safest environment possible for our students. If you have any questions or concerns, please feel free to contact me at 570-434-2180 or email me at [melia@mvsd.net](mailto:melia@mvsd.net).

Sincerely,

Dr. Michael S. Elia  
Superintendent of Schools  
Mountain View School District
