Special Thanks

Welcome to our Spring Musical Production of “Beauty and the Beast!”

We are so thrilled you RSVP’d to “Be Our Guest!” You are all in for a treat! This would not have been possible without the help of many people.

Thank you to Mason Stiver! Mountain View is blessed to have a Music Director so talented and dedicated! This is our 2nd year working together and we have tackled this project as a team. I am beyond thankful for your time; your calm demeanor and your insights were integral to creating this amazing show!

Thank you to Jen Davis who once again spent her time and talents to create our program and slideshow! She also has 3 very talented kids (Collin, Jillian, and Morgan) in our production! I am incredibly grateful for your help. To BethAnn Masters, who keeps me on track and makes me look good! Thank you for everything you do behind the scenes!

To our phenomenal cast and crew: when we first talked about doing this show you were behind it 110%! Your work ethic, your cohesiveness, and your desire to improve every day speak volumes about your character! More importantly, the friendships and bonds created among you are a joy to see. Enjoy the accolades in the days to come! You have earned it!

Thank you to the parents who provided snacks, meals, and those rides whenever they were asked! To our friends and family, and our incredibly supportive Mountain View Community, thank you! Now sit back and relax as we proudly present...”Beauty and the Beast!”
