

# Pre-College Programs

- Customize your Pre-College Experience
- Earn credits at the reduced tuition rate of \$100/credit
- Get real college experience with flexible online and on-campus learning options
- Explore programs through one of our exploration pathways
- Earn credits in a wide-range of career-focused programs:
  - Business/Accounting
  - Human Services
  - Petroleum & Natural Gas
  - Criminal Justice
  - Cyber Security

- You decide how many credits you earn

## Level 1: Discover

- Start with one class and earn credits at your own pace
- Earn credits through eligible classes available at your high school

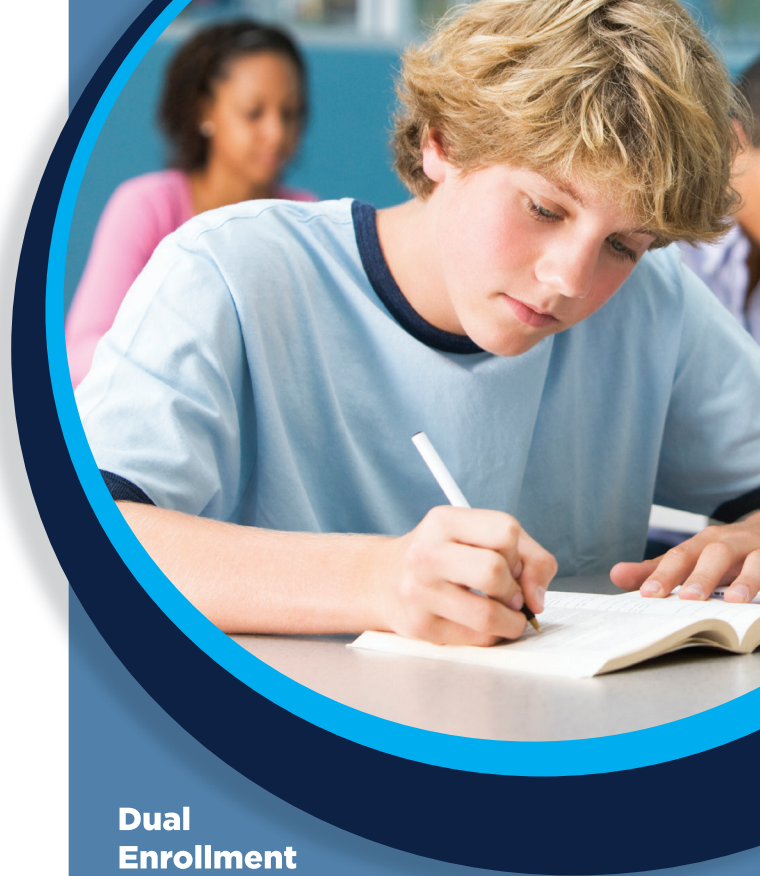

## Level 2: Fast-track

- Earn 1 or 2 semesters of credits in a career-focused pathway
- Get a start on Gen Ed courses

## Level 3: Accelerate

- Graduate with an associate degree
- Start earning credit in the summer before junior year
