Purpose

The Board recognizes that reasonable guidelines concerning dress and grooming can facilitate the process of education and promote the district goal of respect and responsibility among students and adults. Although each student may have different tastes in attire, reasonable guidelines can preserve aspects of those tastes among the student body and promote a positive learning environment.

The Board has the authority to establish limitations on students' dress in school.[\[1\]](#)[\[2\]](#)

Students may be required to wear certain types of clothing while participating in physical education classes, technical education, extracurricular activities, or other situations where special attire may be required to ensure the health or safety of the student.[\[2\]](#)

Each building's faculty, staff and administration and/or designee shall be responsible to monitor student dress and grooming throughout the day and enforce school rules governing student dress and grooming. Administrative discretion will be final regarding enforcement of this policy.

The purpose of a dress code is not to inhibit any person's taste in attire but rather to better facilitate the process of education through reasonable guidelines in dress. The Mountain View School District has adopted the following dress code policy for grades K-12.

Violation of this policy will result in parent/guardian notification and appropriate school action through the Code of Conduct and through the consequences noted below.[3]

Consequences of Noncompliance

The administration reserves the right to elevate the level of an offense dependent upon its severity. Regardless of the level or consequence, the student may not return to class unless s/he conforms to the policy.

Students whose dress and/or grooming is not in compliance with this policy will be subject to the following consequences:

First Violation – Warning. Students will correct the infraction. Parent/Guardian will be contacted by student or administration if appropriate clothing is needed from home. Alternative articles of clothing may also be provided by the administration or their designee. If the student refuses or cannot correct the infraction, his/her parents/guardians will be contacted, and s/he will be assigned to ISS for the remainder of the school day or until his/her dress is corrected. Elementary - ISS will be scheduled as needed.

Second Violation – Students will be assigned a lunch detention. Parent/Guardian will be called. Students will receive a written notice, to be signed by parent/guardian and student and returned on the next school day. If the student refuses or cannot correct the infraction, s/he will be assigned to ISS for the remainder of the school day or until his/her dress is corrected. This ISS will be above and beyond the assigned detention. Elementary - ISS will be scheduled as needed.

Third Violation - Students will be assigned an ISS for the day of the infraction and an after-school detention on the next detention day (High School only). Parent/Guardian will be called and required to attend a meeting for the purpose of creating a plan to comply with the policy. Students may return to class after an ISS only after conforming to the student dress code policy and a parental confirmation of a scheduled parent/guardian meeting has been obtained by administration or their designee. Elementary - ISS will be scheduled as needed.

Fourth and Subsequent Violations - Students will be assigned an ISS for the day of the infraction and a subsequent OSS on the next school day. Parent/Guardian will be called.
